Newsletter

Hi Everyone!

Almost a half of the year is gone already. Time is flying! The Spring Rallies were a success and now it's almost time for the Fall Rallies. That is why I am sending this letter. If you have items that need to be put on the fall agenda, you must get them turned in to me by the first of July. If there is anything that needs a required vote by the individual chapters, we can get that information out and then in October bring it to the Fall Committee.

Things are coming together very well! We have had several chapters that have stepped up to the plate by donating their time and money. With all the changes we have had to make as far as support from International, we were a little concerned earlier in the year, but now the 'mountain doesn't seem as high', so to speak! Oklahoma Good Sams are wonderful and generous people! This is your Rally, not ours. We are here to guide the decisions along. We have many Good Sam'ers that have encouraged and reassured us that; WE AS A WHOLE will make this Rally great!

Our schedule is very busy this summer. We attended the North mini rally and plan on attending the Metro and South Mini Rallies. We will try to make some of the chapter campouts as well, just let us know when and where and we will put our best effort out there! If there are any of you that have questions, or need help, or suggestions on how to grow your memberships, please let us know. If we don't have the answers, we will work together until we do!

We still have the Treasurer Position open! If you know anyone in your chapter that would be interested, please have them contact us as soon as possible! Gary Tidball, the current treasurer, promised he would stay until the end of the Oklahoma rally to train the incoming treasurer. This is an elected position therefore all the chapters must vote. We must have the nominee's name and resume no later than August 1st. This is very important and we need someone to step up!

Take Care and See Ya Down The Road!!
