If you haven't made plans to attend the Rallies or Mini Rallies, please do. It's a great way to get know other members in your areas. If you have problems getting enough members to make reservations for your monthly meetings, you can talk with other chapters and co-host!

It looks like several chapters are beginning to add new members! That is always encouraging! If you would like to have Sue and I visit your chapter, please send us your campout schedules and let us know when and where and we will do our best to make it!

We have really enjoyed being your State Director and hope that if there is anything we can do to help your chapters, please let us know!

Take Care and See Ya Down The Road!!
