

Hello All

With the present concerns of the Coronavirus (Covid-19), and the recommendation by the CDC that all gatherings of more than 10 people be discontinued. We suggest that as Good Sam Chapters, you use good judgement regarding your chapter meetings.

We also must inform everyone that the Texas and Arkansas Good Sam State Rallies for 2020 have been **CANCELLED!!!** Texas has rescheduled their rally for September 17-20, 2020, with early days beginning Sunday, September 13, 2020. The Texas Good Sam State Rally venue will stay in Canton, Texas.

As of this date, Oklahoma's rally is still scheduled for October 8-11<sup>th</sup>, 2020. Early days 4-7<sup>th</sup>. As far as the Oklahoma Mini Rallies, just the North Rally has been cancelled. The South and Metro rallies are still a little too far away to make any decisions. Those decisions will come from the residing ASDs. We will be updating the website for any further changes.

This decision was made in the best interests for the health and well-being of each individual. Our prayers and hopes are that no one has to battle this medical situation.

Thank you and we wish of you good health and safety.
