Hi Everyone!

We hope all of you are doing well. I just wanted to take some time to bring you up to date regarding the situation with Good Sams. As of today, we really don't have much information from headquarters. We have been getting a lot of feedback from other state directors. The majority of them feel like us. We need to adhere to the government regulations, stay at home and be aware of our surroundings. God forbid any of us get infected by the virus, but worst still; I don't want to be responsible for infecting someone else! So with that in mind, we feel at this time the Fall Rally remain on hold. As far as the Good Sam Club, in our hearts we will always be the Good Sam Family! All of you are VERY special to us! We may not be able to meet and enjoy each other's company like we used to, but we hope that things will change and we will be able to reunite again.

Just this week, one of the state directors took the initiative to write a letter to International and Marcus L. One of the questions the director asked was "Is Good Sams RV Club going to be disbanded?" A few days later all the directors received a letter with a questionnaire enclosed. We have not received any response just yet! As far as we know, we are still in a holding pattern! As soon as we receive any information, we will pass it on. Please stay tuned to the website for any additional information.

We pray all of you remain healthy and safe!

Take Care and See Ya Down The Road!!

Your Director,

Larry & Sue Foster
